7 EVOLVED LIFE INGREDIENTS

01 Financial Money is a means of exchange in the physical world - embrace it. **02 Social** Every thing you think or do impacts every one and every thing. **03 Physical** Your body and your physical reality is a reflection of your true, inner self – treat them both well. **04 Relational** You are whole and always enough – other people enhance you, not complete you. **05 Mental** Your mind is your greatest tool– learn how it works. **06 Vocational** Take time to discover your passion, purpose and calling – and create life around that. **07 Spiritual** Always ask why – choose to remember the truths of the universe and how they affect every thing.
